

CLASSROOM MANAGEMENT CHECKLIST

CHECK WHAT THE TEACHER DOESN'T DO

☐

The teacher plans for and executes a lesson relating to short-term and long-term objectives

☐

The teacher clearly defines and effectively manages student behavior

☐

The teacher assures a contribution to building-wide positive climate responsibilities

☐

The teacher speaks with a low tone of voice

☐

The teacher acknowledges student progress and uses assessment practices that are fair, based on identified criteria, and support effective instruction

☐

The teacher uses active learning, questioning techniques and/or guided practices to involve all students.

☐

The teacher reacts passively to disruptive students' behavior
